Lest you are hesitant to audition, our Calendar Girls will indeed strip down - discreetly, and under cover of props and other actors. Nothing will be seen, otherwise we've failed. If we do it right, "the choreography will be best described as 'fabulous concealment' " ... and we intend to do it right.

The show will be cast by June 13. Everyone will be contacted.

Rehearsals will be held on Mon, Tue, and Thur nights from 6:30-9:00. Set construction workshops will be held on Saturday mornings (10am) starting in early July and everyone is encouraged to assist. Production week (the week prior to opening night) rehearsals will be held each night from Sunday on and are mandatory.

Mandatory Cast Meeting/Read Thru will be Thursday, June 16 at 6:30pm, location TBA. Regular rehearsals will start Monday, June 20 at GLT.

Thank you for your interest in Calendar Girls!
